EMERGENCY RESPONSE

The team responds systematically to emergency situations.

Since June 2023, we have met evacuees from temporarily occupied territories at the only checkpoint near the russian border in Sumy region.

We also respond to emergencies such as the destruction of the Kakhovka HPP by russian forces.

EMERGENCY RESPONSE

Since 2024, we've been providing comprehensive support – legal, psychological, and logistical – at transit points in Pavlohrad and Kharkiv.

Over 21,000 evacuees from Donetsk region and **more than 12,000** from Kharkiv region have been registered.

We visit sites affected by shelling and provide psychosocial and legal assistance to residents in Zaporizhzhia, Kharkiv, Mykolaiv, Dnipro, and Pavlohrad.
